OCTOBER 23RD 2016

VALE

Wallace Arthur Thamm

4th May 1936 – 23rd September 2016

Aged 80yrs.

Sadly we have lost another member, Wally Thamm who was a great supporter of our sub branch and always attended regularly attended our monthly meetings, a man of great knowledge and traveller to remote places in South Australia and the Northern Territory, mostly done by motorcycle, Wally was a avid motorcyclist. Condolences to members of his family.

Well members our last meeting held at the Port Adelaide Aviation Museum was reasonably successful, although I personally would have liked too seen more of our own members come along but that was not to be, arriving at the gates (locked, waiting on the man with the keys)) for the museum, we were greeted by members from the, Para District Sub Branch who swelled the numbers, we were very fortunate to be able to use the board room for the combined meeting. After a tour of the museum which was most interesting and the exhibits, which were explained to all and their history. We had a very nice lunch across at the Railway Hotel afterwards, I can thoroughly recommend the hotel for a good wholesome luncheon at a reasonable price, and as usual there was the friendly rival banter between both sub branches, but all in good fun.

Apologies were received from:- John Rathman.

General Business: - Again the question was raised regarding guest speakers, and as I have reported previously, too get hold of a good speaker that is of interest to all members can cost money that we can't really afford to spend, two other suggestions that could be looked into for guest speakers are, Adelaide Clipper Ship web site and the Liqueur Trading Association, but the question again will come out on a Sunday.
