PRESIDENTS REPORT

Greeting members, looks like the weather and turned the corner, and we are in for some fine weather at long last, a reasonable good roll up of members again for our August meeting, with various items being discussed. Apologies were received from the following members -: Nick Gogilis, John Rathman, Wally Thamm, Richard Dixon, and Padre Norm Carter.

The minutes of the previous meeting (August) were read. **Moved** that they be accepted -: Wally Smith, **Seconded** -: Raelene Cabot.

Business arising from the minutes -: Reminder on the Poppy Selling at the Newton Shopping Centre, 5th & 6th November, volunteers are still needed for both days, the more volunteers that we have the shorter time you have to be there, prior to the poppy selling, there is the commitment of our sub branch, placing poppies at the wall of remembrance for those who have passed on, located at the Enfield General Cemetery, Monday 9th November 015, please be there by 1.00pm. The more helpers we get at the cemetery quicker the quicker it gets done, it has been a tradition of this sub branch to place the poppies on the wall of remembrance since the sub branch was first formed and we received our Charter, also it is greatly appreciated by the Cemetery Trust and families of the deceased. Please forward your names to Keith or myself if you can help out.

Correspondence Received -: No correspondence received since last meeting.

Correspondence Sent -: No correspondence sent since last meeting.

Moved that Inwards & Outwards Correspondence be accepted -: Wally Smith & Tom Camplin.

Financial Report -: Keith gave a detailed report on the sub branches financial situation, and I'm glad to report we still have our heads above Water.

Moved that the Financial Report be accepted -: Mal Simms & Trevor Cabot.

General Business -: Keith gave a brief talk on his latest adventure up to Pt. Pirie, taking in the sites of the surrounding area and WW1 Memorials that he has a very keen interest in, also made a visit to the Pirie RSL where they have now on display a Huey Helicopter, ex Vietnam conflict on display that you can actually climb up into, proving very popular with the school children and visitors to the area. Second point Keith spoke on and it is relevant to all was the, **Power of Attorney & Agency Act 1984, Advance Care Directives Act 2013**. Quote Advance Directives are legal documents that people over 18 can make to express their instructions, wishes and preferences in relation to the future management of their finances and legal matters and health, accommodation and personal matters Unquote. An Advance Care Directive replaces three different documents: (1) Enduring Power of Guardianship, (2) Medical Power of Attorney

(3Anticipatory Direction. This document booklet is obtainable from the Motor Vehicle Registration Department for a cost of \$5. Thanks Keith for that information.

Birthday Wishes to the following members -: September 24th, Harry Gregory, September 26th Darryl Mathews.

Winners & Grinners from the August meeting -: 1st Tom Camplin, 2nd Barbara Camplin.

Malcolm Kruss

President

Last Sunday 20th September, I along with Tom & Barbara Camplin, Trevor & Raelene Cabot attended Para District Sub Brach Birthday Charter Luncheon, we were made very welcome, as usual there was the friendly banter between the two sub branches, although there were only five of us present we gave as good as we got, raffle time, yes as usual we Northern Central made a name for themselves with the raffle prizes, it was a matter of “thank your mother for the rabbits” we have just won another prize, a great meal all round and great companionship. Thank you Para District.

Hopefully by next news letter I will have compiled a story on my recent trip south of the border to Victoria, taking in the visit to the Imperial War Museum Exhibition, WW1 display, unfortunately it will not be coming to Adelaide as it finishes in October, and then it is back to the UK.
