

PARA DISTRICTS SUB BRANCH

**Para District
Sub Branch Report
January 2015**

Happy New Year to everyone, we hope your all survived the heat wave and the drenching. Our thoughts go out to the families who lost their homes and livestock and our deep appreciation to the CFS men and women who did a tremendous job.

Our February meeting on the 1st will incorporate our National Servicemen's Memorial Service and AGM. At the present time we are still hoping for more nominations.

Members and their families enjoyed a boat trip and lunch aboard the Dolphin Explorer after the January meeting, thanks to Tony and Helena for organising it. Past members Pam Howells and Doris Mitchell joined us.

The visit to the Penfield Model Railway in December was enjoyed by everyone. They supplied lunch and you can ride on the miniature railway, complete with Station etc. This is an excellent venue and well worth another visit.
