

Yorke Peninsula Sub Branch Newsletter June 2015

Hi Everyone.

It looks like winter has arrived early with a vengeance. I hope you are all managing to keep warm. On Thursday 12th March 18 members attended a dinner at the Wombat Hotel, Kadina. It is always a popular venue and a good meal and an enjoyable night was had by all. On Tuesday 14th April we paid a visit to Port Pirie RSL. Fifteen members had a guided tour of the display then we went in to view the Huey Helicopter which was brought down from Queensland. They have built on a special room to house it. It is set up so that you can go inside it. Our guide told us that some Vietnam Veterans who visit get very emotional, especially when they see the film and hear the sound of the rotors. He said it is a sound they will never forget. Due to the rupture in the gas pipeline there was no gas in the town so we were unable to have lunch at the Risdon as planned. We travelled to Crystal Brook where we all enjoyed a nice meal. Thanks to Pat Greenfield for arranging the day. I am told that 10 members turned up to the march to mark the Centenary of the Gallipoli Landings on Saturday 18th April. See the photo on the back cover. I was unable to attend due to a family commitment. I will be away on holiday from the 6th to the 30th June so Allan is responsible for taking the numbers for the Lunch and movie on the 21st June. Please be sure to let him know about a week before if you wish to go. The movie is expected to be "Testament to Youth". It is a story of Love, War and Remembrance based on the First World War memoirs of Vera Brittain. The cinema are unable to confirm the times of showing at this time but Allan will be in touch with them closer to the date. I hope you all have a great day. I will be spending the day in Athens hopefully enjoying some warmer weather.

Committee members are:-

PRESIDENT	DEAN MANUEL	8821 2382
VICE PRESIDENT	ALLAN LUDERS	8825 1808
